3860. SHRI PRAGADA KOTAIAH : Will the Minister of TEXTILES be pleased to state:

(a) whether representations have been received by the Ministry of Textiles urging for stabilization of cotton yarn prices to be fixed by an Export Committee to be appointed for the purpose and for placing stabilization fund of Rs. 100 crores at the disposal of N.H.D.C. for the purpose of procuring and distributing yam at stabilized prices to handloom weavers in and outside the cooperatives; and

(b) if so, the action taken thereon ?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI G. VENKAT SWAMY): (a) Yes, Sir.

(b) The National Handloom Development Corporation (NHDC) is provided with assistance by way of share capital for enabling it to supply yam to handloom weavers. Assistance is also provided under mill-gate price scheme. The NHDC procures and distributes yarn on receipt of specific indents and is not engaged in storage of yam. The scheme for setting up of Handloom Development Centres has targeted, *inter alia,* to enhance the capital base of the primaries so that they are able to procure larger quantities of yarn and thin give more employment to handloom weavers. In view of these reasons, Government does not propose to create a stabi-"sr>rion fund of Rs. 100 crores.
